Did you know the CLP Regulations* replaced the CHIP Regulations on June 1st 2015?

To be compliant
with the law all
hazardous
products must be
labelled with the new style
red bordered pictograms like
this one

COMPLIANT

The old orange
and black
pictograms like
this are not
compliant with new safety
standards, putting your
stores and stocks at risk

NOT COMPLIANT

*1272/2008/EC: Classification, Labelling and Packaging of Substances and Mixtures (CLP) Regulation
