

# Sass & Zest

## Heavy Duty Lime Hand Cleaner

### What is Sass & Zest?

Sass & Zest is a fantastic Lime Hand cleaner that contains perlite beads to help loosen and remove stubborn contaminants from hands, Perlite is a natural mineral that will dissolve. It comes in a handy 2-litre tub with a pourable spout; this enables you to refill any existing hand cleaner dispensers that you may have. We also supply a pelican pump dispenser that can be attached to the container. The tub is robust with a wide base for stability and is portable.

### How does Sass & Zest Work?

Harnessing the cleaning power of naturally derived citrus oils Sass & Zest will remove oil, grease, ink and many more undesirables. Sass & Zest also contains a mild anti-septic and lanolin to moisturise the skin and help replace the natural oils lost during handwashing.

### Key Benefits and features

- Fantastic lime fragrance and colour
- Natural grit to help loosen the dirt
- Contains lanolin and mild antiseptic to replace lost oils
- Portable and robust container
- Multi use options pourable/pelican pump dispenser
- No need to replace costly wall dispensers

### How to use Sass n Zest

Remove any watches or rings as dirt and bacteria will gather in these areas. Use between 3-6 ml (one pump) per use. Sass & Zest can be used on wet or dry hands. Work the hand cleaner into your hands, on both sides, allowing the grit to loosen the dirt in any stubborn areas. Then rinse thoroughly.

### Health and Safety

Always ensure that precautionary measures found in the MSDS sheet for Sass & Zest are read and followed before use and please ensure that appropriate PPE is used when preparing, mixing and applying products.
